MONTGOMERY COUNTY GIVES STANLEY 252 OVER MORROW

DEMOCRATIC EMBLEM

His voice was heard Tuesday all over Montgomery county, sending the cheering message to the world that the grand old County of Montgomery stood firmly behind Woodrow Wilson, our noble President, and ratified in no uncertain terms his able administration and gave him our unqualified ratification of his policies.

As we go to press at seven o'clock this morning the best information we can obtain from both Republican and Democratic sources makes the results in yesterday's election extremely doubtful. At this hour 104 counties have reported giving Mr. Stanley a lead over Mr. Morrow of some 12,000, but many of the missing counties being in the eleventh district, this lead may be wiped out and it is probable the official count will be required to determine the winner.

MONTGOMERY COUNTY RESULTS

The election passed off quietly in the city and county, no disturbances of any character being reported. The day was perfect and a good vote was polled considering the general apathy that has been prevalent here, close to 2,500 voters taking part in the election.

The result of the Chief of Police race in the city surpassed even Mr. Tipton's most ardent supporters as he won by 152 majority.

Among the Democrats on the ticket that had no opposition were Judge Wm. A. Young for Circuit Judge, W. C. Hamilton, Commonwealth's Attorney, J. H. Blount, Circuit Clerk, O. W. McCormick, C. L. Dean and A. L. Tipton for County Commissioners. R. A. Chiles, City Attorney, C. B. Patterson, Treasurer, H. M. Ringo, City Clerk, W. T. Fitzpatrick, Jr., City Assessor. Councilmen in 1st, 2nd and 4th wards, Democrats having no candidates in third ward.

In the county Stanley received a total vote of 1350, Black 1374, Morrow 1098, Walker 1037. It will therefore be seen that Stanley for Governor carried the county by 252 and Black for Lieutenant Governor by 337. Hon. Asa Pieratt carried the county for Representative, as did all other State nominees by a majority of about 300.

In view of the large amount of dissatisfaction in the county, the result is very gratifying to Campaign Chairman E. W. Senff who was untiring in his efforts to roll up a large majority for all Democratic nominees.

IN OHIO

Cincinnati elected an entire Republican ticket from Mayor down and state wide prohibition was overwhelmingly defeated in the state.

NEW CHIEF DELIGHTED

Mr. James C. Tipton, our new Chief of Police, when seen by a representative of the Advocate said "Please say that I am gratified beyond expression at the magnificent vote of confidence given me by the citizens of Mt. Sterling, which was made possible by the untiring efforts of many loyal friends. As Chief of Police I intend to redeem every promise I have made to the people by impartially and vigorously enforcing the law. Any assistance or suggestions from any citizen will be thankfully received."

HON. A. O. STANLEY

The former Congressman who, we believe, will be Kentucky's next Governor.

His years of experience in the halls of Congress make him eminently qualified for the duties of his new office and that he will discharge them in a most capable manner, no one familiar with Mr. Stanley, doubts for a minute.

SCATTERING STATE RETURNS
